a. **Correspondence:** None

b. **Planning Commission Members:** None.

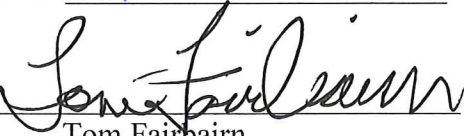

c. **Township Board Members:** Mr. Dohm presented, for Board information purposes, a proposed parking lot light plan for Munson Medical Center at 8881 M-119 Hwy. He indicated he and Jake had reviewed and approved the plan as provided for in the zoning ordinance.

Mr. Dohm presented a proposal by the Wequetonsing Golf Club to replace an existing caddy shack on their property at 5543 M-119. He indicated that this is a replacement of a structure, the same size and same location as the old one, but with modern building materials. He requested the Board to allow Staff to approve the request as a minor customary permitted use without site plan review by the Board. The Board approved the request by unanimous consent.

Mr. Dohm asked the Board to consider a future amendment to their by-laws to limit time for public comment at PC meetings. He indicated a limit should be specified, but flexibility should be allowed by the Chairman. The Board requested a proposal be presented at their next meeting for consideration.

**Adjourn:** There being no further business to be brought before the commission, Chairman Van Berlo adjourned the meeting at 8:40 pm.
